These activities and ideas are based around the book “The Princess and the Wizard” by Julia Donaldson.

All activities could be done without the books.
Other stories to support learning.
Castle chase

The wizard keeps on trying to catch the princess!
Who is the closest to us, the princess or the wizard?

Reception
The princesses crown has lost some of it’s jewels! It has to match the same on both sides! Can you help her create her beautiful crowns again by matching the shapes and putting them at the right distance? They need to be symmetrical!
Talking Together
Learning through Play

A helping hand to where our activities link in our schemes and the EYFS.

Reception - Notes and guidance

Summer Progression

Development matters - Shape space and Measure 40-60
Can describe their relative position such as ‘behind’ or ‘next to’.
Orders two or three items by length or height.
Orders and sequences familiar events.
Measures short periods of time in simple ways.

Early Learning Goal - Shape Space and Measure
Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns.
They explore characteristics of everyday objects and shapes and use mathematical language to describe them.
