White Rose Maths Brunch 2021 Sponsorship Pack

MATHS BRUNCH

Background

We're delighted to announce our very first virtual events, scheduled for early 2021.

Each jam-packed day of CPD will be filled with opportunities to 'do maths', whilst also exploring pedagogical ideas.

Workshops will be led by a combination of White Rose Maths specialists and amazing guest speakers.

We're expecting to attract thousands of delegates across both days.

Primary Maths Brunch: **Saturday 6th Feb 2021**

Secondary Maths Brunch: **Saturday 30th January 2021**

Special Guests

We're excited to have some high profile speakers at each event.
