1. Complete the sentences.
   - The whole cake is split into equal parts.
   - Each part is worth a ________

2. This can be written as ________

3. Is 1 \( \frac{1}{2} \) of each shape shaded? How do you know?
   - a) __________
   - b) __________
   - c) __________
   - d) __________
   - e) __________
   - f) __________

4. Colour \( \frac{1}{2} \) of each square.
   - Show four different ways.

5. Colour \( \frac{1}{2} \) of each shape.
   - Recognise a half.
6 Only 1\frac{1}{2} of each shape has been drawn. Draw the missing half to make the whole.

7 Draw a cross halfway along each line.

8 The shaded part of this shape does not show a half because the shape is not split into 2 equal parts.

Talk about it with a partner.

a) How do you know?

b) Is Tommy correct?
